Call for Posters/Abstracts Session

SoftCOM 2019 conference will be held in hotel Radisson Blu Resort in Split on September 19-21, 2019.

We are soliciting technical contributions showing innovative and original research including presentations of patents and applications. Demonstrations of ICT prototypes are welcome. Contributions by PhD students which present innovative approaches, methods and applications developed in their research are particularly welcome. *SoftCOM 2019* will offer a pleasant open space in the Conference hotel for presentation of Posters and Demos. Topics of interest are, but not limited to, as listed in the Call for *SoftCOM 2019* General Conference.

Three-page abstracts should be submitted for a peer review. Accepted and presented Posters will be submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Authors must be present and available for discussion during the Poster/Demo sessions. No show will preclude publication in the Proceedings/IEEE-Xplore. Authors are invited to submit a poster/demo via EDAS.

All posters/demos will be considered for the Best Poster/Abstract award.

More information about the Conference including details on the submission process and authors kit is available on the website: http://softcom2019.fesb.hr
