Maja Matijašević
University of Zagreb, Croatia

Ivana Stipanović,
University of Mostar, BiH

Symposium on:

Information Security and Intellectual Property

3rd ISIP 2019

Symposium co-Chairs: Marija Boban, University of Split, Croatia
Gordan Ježić, University of Zagreb, Croatia

Call for Papers

Symposium on "Information Security and Intellectual Property (ISIP)" will be held on September 19-21, 2019 in hotel Radisson Blu Resort, Split in the frame of the 27th International Conference on Software, Telecommunications and Computer Networks (SoftCOM 2019), which is technically co-sponsored by the IEEE Communications Society (ComSoc). The conference call of 3rd ISIP 2019 is an invitation to authors to submit their high-quality papers representing original results from social and technical sciences combining knowledge from information sciences, law, technical sciences and geopolitics. Accepted and presented papers will be published in the symposium proceedings. The papers with original contribution in the technical field will be published in the conference proceedings and submitted to IEEE Xplore, as well as, other Abstracting and Indexing (A&I) databases. Authors of selected papers with original contribution in the technical field will be invited to submit an extended version of their manuscripts for publication in a special issue of the Journal of Communications Software and Systems (JCOMSS).

Topics of interest include, but not limited to:

- New technologies and information security
- Protection of personal data- legal and security issues
- IoT - technical and legal issues
- New technologies and intellectual property
- National security - new security challenges
- Terrorism as a threat to modern society - legal and security issues
